

Good King Wenceslas Guitar Tabs and Chords

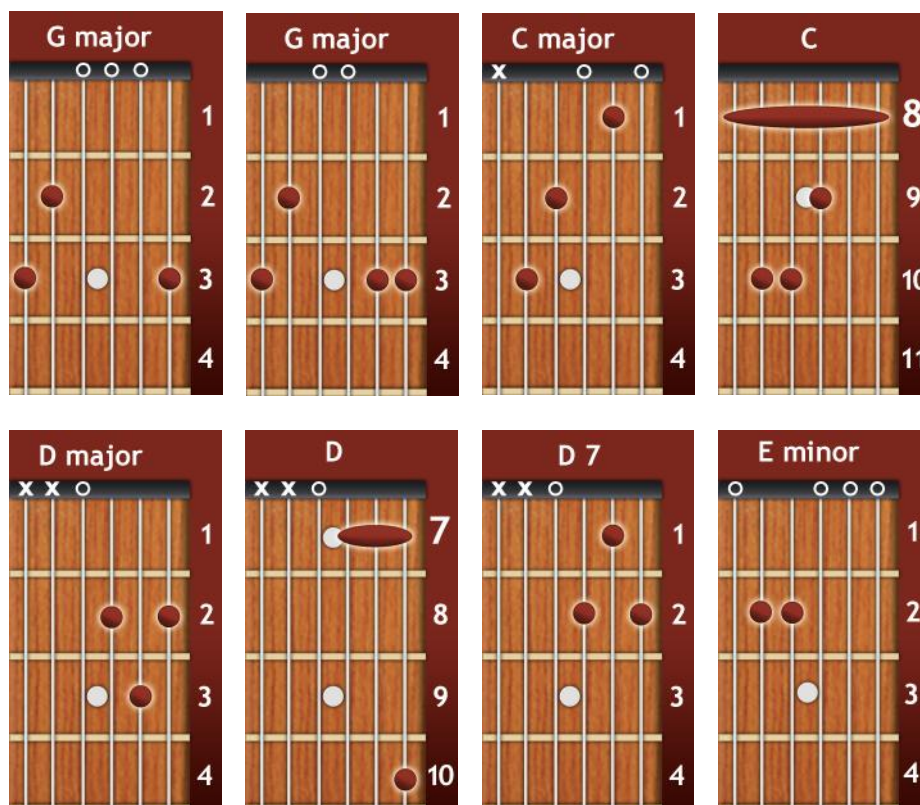

Merry Christmas, I hope you enjoyed the video lesson, and are looking forward to perfecting it. It's fairly straight forward once you get the chords progression under your fingers, but be patient with yourself, you know, practice makes perfect.

We're learning this one in the key of G, and you'll want to set the tonality for carolers by playing the last 4 measures of the melody before they start singing.

If you missed the video guitar lesson, make sure you watch it here

Tabs (Melody)

The image displays three systems of guitar tabs for the melody of 'Good King Wenceslas'. Each system consists of six staves representing the strings E, B, G, D, A, and E from top to bottom. The first system shows the first four measures of the melody. The second system shows the next four measures, including a trill on the B string in the second measure. The third system shows the final four measures, ending with a large red 'G' on the D string in the fourth measure.

Have fun, practice a lot and I'll see you in the next lesson!

Tom Fontana
