

Tears in Heaven Guitar Tabs and Chords

Hello again, you've chosen a wonderful song to learn. It is not that difficult, but includes a lot of chords if you want to learn the entire song, including some barre chords, so take your time. The song will really develop lots of guitar skills and strengthen your hands, so learn it well, and then play it to everyone you know! If you missed the video guitar lesson, make sure you watch it here:

There are lots of chords, which may seem intimidating at first, but it's not hard at all. The chord changes flow very easily once you learn them, it just takes practice.

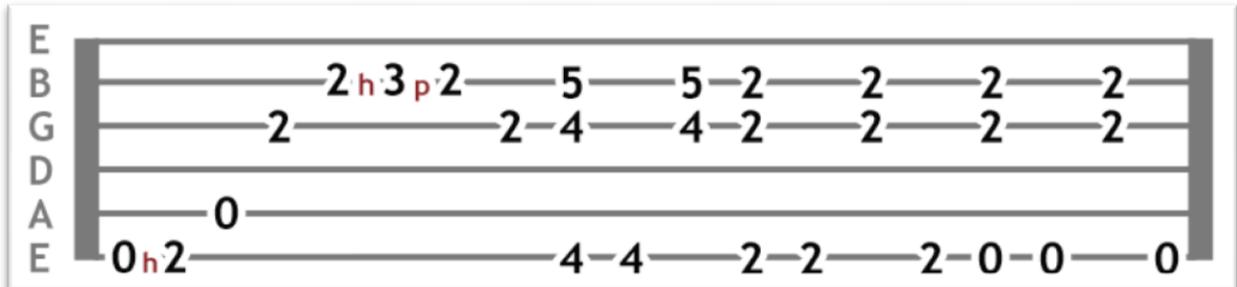

Also, it's a good idea to play along with the song once you learn it, since you'll get a chance to develop your rhythm and timing as well.
